

COMMUNITY HEALTH WORK: NQF LEVEL 4

SAQA ID: 64697

TIME TABLE FOR THE TRAINING PLAN.

INSTRUCTIONS:

1. This time table is provided so that the student is able to keep track with the programme and may plan their studies accordingly.
2. It is the student's responsibility to ensure that he/she keeps up with this time table.
3. The student must attend online lessons 2 days in a week, for 2 hours, as indicated in the time table.
4. Each lesson will be conducted by the presiding facilitator/assessor.
5. Theoretical lessons will constitute 30% of the entire course, therefore each student is expected to attend these online lessons, indicated on the time table, as they are compulsory.
6. The student is required to participate in the experiential learning programme, which is indicated on the time table as the "workplace" feature.
7. Working hours will be provided by the specific workplace provider, of which the student will be expected to sign an attendance register, in order to verify their attendance.
8. The principle of 1 week in for theory, and 3 weeks out for experiential learning will apply, as indicated on the timetable.
9. Due to the lessons being online, time and data limitations will come into play, therefore each facilitator/assessor will be uploading/posting the lesson plans for the relevant unit standard, on the institute's online system, for the student to access.
10. Therefore, it is the student's responsibility to ensure that he/she goes through and studies the lesson plans, in the 3 days of the week that the student does not have online lessons,
